

*The honor of your presence is requested
for the Bedford VA Research Service
celebration of National VA Research Week*

**Monday, June 6th, 12:30 p.m.
Bedford VA Theatre (enter through Building 2)**

**The theme for this annual celebration is:
The Path of Progress in Mental Health**

Featured Speaker: Benjamin Patton
*Filmmaker and grandson of WWII's
General George S. Patton, Jr.*

**Presenting his groundbreaking "I Was There"
therapeutic film workshops to treat post-traumatic
stress and rebuild community for veterans**

**Panel discussion with Veterans who have been
healed through these workshops**

Every Veteran's Story matters and deserves to be heard

RSVP welcome: sandra.blanchet@va.gov or 781-687-3588
